

Positive Culture Wins

IN LIFE

Gary Wilbers speaks to individuals and organizations that want to cultivate a positive culture that wins to enhance people & performance to increase profits.

What clients have to say:

Gary's presentation was just awesome, inspiring, dynamic and energetic. His "CHARGE" concept (Create Habits Around Real Goals Everyday) would be awesome to implement into our organization.

- **Tammy Roberts**

The feedback and positivity we received was incredible, with employees saying they wish the speech would have been longer. We look forward to having Gary back in the near future!

- **Tiana Pagliani, Veterans United Home Loans**

Gary's energy and passion for living an intention filled life are infectious. His strategies and charisma will make you wish you had given yourself the gift of a few hours to reboot and re-CHARGE with him years ago.

- **Andy Stuckenschneider, IWDG**

I especially enjoyed the way he was able to integrate all of the important parts of life; professional life, family life, your faith and how they all come together to work as one positive influence for not only yourself but all of the lives that you touch every single day.

- **Debra Walker**
